

Gender Inclusion  
Prairie Creek Community School

**Purpose**

The students of Prairie Creek Community School (PCCS) deserve respectful and inclusive learning environments that value students' gender identity and gender expression. PCCS ensures that all students have access to programming and facilities in which they feel comfortable and safe. This policy addresses the inequities some students, including intersex, transgender, and gender nonconforming students, confront as they navigate a system designed using a gender binary model.

**Definitions**

1. Gender refers to the socially constructed roles, behaviors, activities, and attributes that a given society attaches to femininity or masculinity.
2. Gender Binary refers to the social construction of a gender dichotomy between masculinity and femininity. The gender binary often ignores or denigrates alternate gender constructions.
3. Gender Expression refers to the manner in which persons represent or express gender to others, often through behavior, clothing, hairstyles, activities, voice, or mannerisms.
4. Gender Identity refers to a person's deeply held sense or knowledge of their own gender.
5. Gender Nonconforming is a term for persons whose gender expression differs from stereotypical expectation. This includes persons who identify outside traditional gender categories.
6. Sex refers to a person's biology and is generally categorized as male, female, or intersex.
7. Intersex refers to a combination of features that distinguish male and female anatomy.
8. Transgender is an adjective describing persons whose gender identity or expression is different from that traditionally associated with the sex at birth.

**Ensure Gender Inclusiveness**

PCCS staff and systems ensure inclusive access to programming and facilities. In accordance with procedure, the District will:

1. Respect all students' gender identity and gender expression including honoring the right of students to be identified and addressed by their preferred name and pronoun.
2. Within academic programming, prohibit the separation of students and/or curricular materials based upon gender unless it serves as a compelling pedagogical tool.
3. Provide all students the opportunity to participate in co-curricular and extracurricular activities in a manner consistent with their gender identity.
4. Provide all students with access to facilities that best align with students' gender identity.
