

## Supply List – Robins 2017

If buying these supplies puts a financial strain on your family, please just contribute what you are able. Thank you!

- \$32 to cover the cost of our custom made workbook
- Fourth graders: two (2) one-subject, spiral-bound, wide ruled notebooks (the cheap kind that you can get for \$.20) to use for word work and Spanish. Please put your name on the covers.
- Glue Sticks
- 1-2 dozen pencils—The name brand pencils, like Ticonderoga, really are better—we prefer those
- Sharpies (a few black ones, and if you can get some colored ones, that's great)
- Index cards, lined
- OPTIONAL: 1 Writer's Notebook – choose one that inspires you (5<sup>th</sup> graders can use yours from last year if you bring it back; students who don't bring a writer's notebook do their writing in the blue book.)

Useful “extras” you can donate if you wish:

- Expos (white board markers; I only use Expos as other brands don't erase very well)
- Post-it notes
- Markers (thick and/or thin)
- Colored pencils
- Tissues
- Notebook filler paper (the wide-ruled, three hole punched kind)
- Pencil erasers
- Ruler (Please be sure they have inches and centimeters)

## Things You Need for Our First Day:

- Reading book
- School supplies (keep your notebook(s) and special pen separate)
- Snack (small, dry, easy to eat as you work)
- Inside shoes (you should always have a good pair of running shoes at school so that you can do your best work at P.E.)
