

Hola, me llamo Tricia Christopherson. (I'm Tricia). I am really excited to be coming back to Prairie Creek this year to teach Spanish. I LOVE sharing my passion for cultures, communication and making connections. I especially love teaching language to students at this age, as they have open hearts and minds to welcome different ways of thinking and communicating. I teach through song, poetry, movement and literature.

I have a degree in Spanish and one in Elementary Education and have done some graduate work in Immersion Education. I have taught in the US, Spain, Mexico, Argentina, Guatemala and most recently I have been teaching English to children in China in their homes virtually. Learning a new language means being brave to try new things and being OK with making mistakes. I'm so excited to be a part of your student's growth and learning at Prairie Creek. I hope to plant a seed of curiosity in my students to inspire them to learn more about how others in the world live and communicate.

When I'm not teaching, my time is spent reading, planning my next adventure (I LOVE to travel), going for walks or just being outside, and connecting with friends and family. I look forward to meeting you all soon.
